Dear Prime Minister.

On behalf of Polish community organizations in the United Kingdom, which we have represented as an umbrella organization since 1948, we wish to offer our congratulations on your being appointed Prime Minister of this country. We share the joy and satisfaction of our friends in the Indian community that a first-generation descendant of a hard-working immigrant family can aspire to and achieve the highest political office in the land.

We wish you every success in your declared endeavours to stabilize the economy and to restore confidence once more in this country's traditional institutions,

Yours sincerely

W Mier-Jedrzejowicz,
Chairman,
Federation of Poles in Great Britain, CIO
